- Amount of additional time (in hours or minutes) spent on preparing for upcoming exam: $2h$

Part 2: Summary lecture notes including Definition and Theorem Lists (8 points)

1. Prepare and attach to this form a 1-3 pages long hand-written summary of the notes you have taken during **Lectures 6 & 7**.
2. Prepare and attach to this form a (hand-written) list of all definitions given in Chapter 3 of Textbook 1.
3. Prepare and attach to this form a (hand-written) list of all theorems (including lemmas, propositions, corollaries) given in Chapter 3 of Textbook 1 without proof.

In the last page of your Theorem Lists include a hand-written copy of the following **honor code** and **sign your name**.

“This is to certify that in preparing the content of Part 2 of this report I have not received help from anyone else. In particular, I have used the notes that I have taken while attending the lectures. Therefore, the work presented in this report belongs to me.”

Note: You must upload the completed report form and its attachments to KU-Learn in the form of a **single PDF** before the due time. To avoid major grade deduction check the PDF of your report and make sure that its hand-written part is legible.
